

**31st International Conference on Learning
Disabilities
Council for Learning Disabilities (CLD)
LD Round-Up: Responsive Assessment
and Instructional Practices
October 2-3, 2009
Dallas, Texas**

This year, CLD celebrates 31 years of conference excellence by maintaining our traditions of offering high-quality topical sessions that are responsive to important issues in the field of learning disabilities. Our conference theme, LD Round Up: Responsive Assessment & Instructional Practices reflects the focus of the conference, which features topical sessions, workshops, two keynote speakers, and special sessions. For more information go to www.cldinternational.org or download the [conference brochure](#).
